

Naznin Nahar Sultana

Sex: Female

Position Held: Assistant Professor

Dept of Geography and Environmental Studies, University of Chittagong

E-mail: geonaznin08@gmail.com/sultana.n.geo@cu.ac.bd.com

Academic Degrees:

M. S. (2008) in Geography and Environmental Studies, University of Chittagong

B.Sc. (Hons) (2007) in Geography and Environmental Studies, University of Chittagong

HSC (Science) (2003) Chittagong Board

SSC (Science) (2001) Chittagong Board

Scholarship/ Fellowship/ Grants:

Achieved fellowship for the research (thesis) entitled ‘Effects of Riverbank Erosion on Lives and Livelihoods: A study on Chandpur District.’ offered by the Ministry of Science and Information and Communication Technology, Bangladesh

Seminar/Conference/ Workshop:

- Paper presented entitled ‘**Health Impacts of Tobacco Cultivation: A Study on Bandarban District**’ and ‘**Migration Pattern and Everyday Life of Slum People: A study on Chittagong City**’ at International Conference on Environment and Development held at 7-8 March, 2014 in Rajshahi University.
- Paper presented on ‘**Causes and Consequences of Riverbank Erosion: Chandpur, Bangladesh**’ held at 5 January, 2013 at Jahangirnagar University.
- A Paper entitled ‘**Effects of Riverbank Erosion on Lives and Livelihoods: A study on Chandpur District**’ presented at First National Conference on Community Based Adaptation organized by ‘ARCAB’ held at 8-9 April, 2012.
- Attended as nominee at International Symposium entitled “Science for Society” held at 24-25 February, 2012 arranged by Bangladesh JSPS Alumni Association
- Participated on workshop and National Seminar on ‘**Space Technology Application for Monitoring Earth Resources, Disaster and Climate Change Impacts for Ensuring Human Security and Sustainable Development**’ held at 28-29 June, 2011 under the EDREMOS project at Bangladesh Space Research and Remote Sensing Organization (SPARRSO).
- Worked as field investigator in the research project entitled ‘**Urban Environment and Health of the Urban Poor in Chittagong City** (2009) sponsored by the Ministry of Science and Information and Communication Technology, Bangladesh

- Participated in the International workshop on ‘Life cycle assessment (LCA) and Material flow analysis (MFA)’ held on 3-4 December, 2012 at the Institute of Forestry and Environmental Sciences, University of Chittagong.
- Completed Training of Trainers (ToT) course from 11-13 May, 2013 on ‘Multi-Hazard Risk and Vulnerability Assessment’ organized by Disaster Management Department, Bangladesh.
- Involved in Training of Trainers (ToT), BRAC Learning Division, Bangladesh
